

## Szükséges eszközök

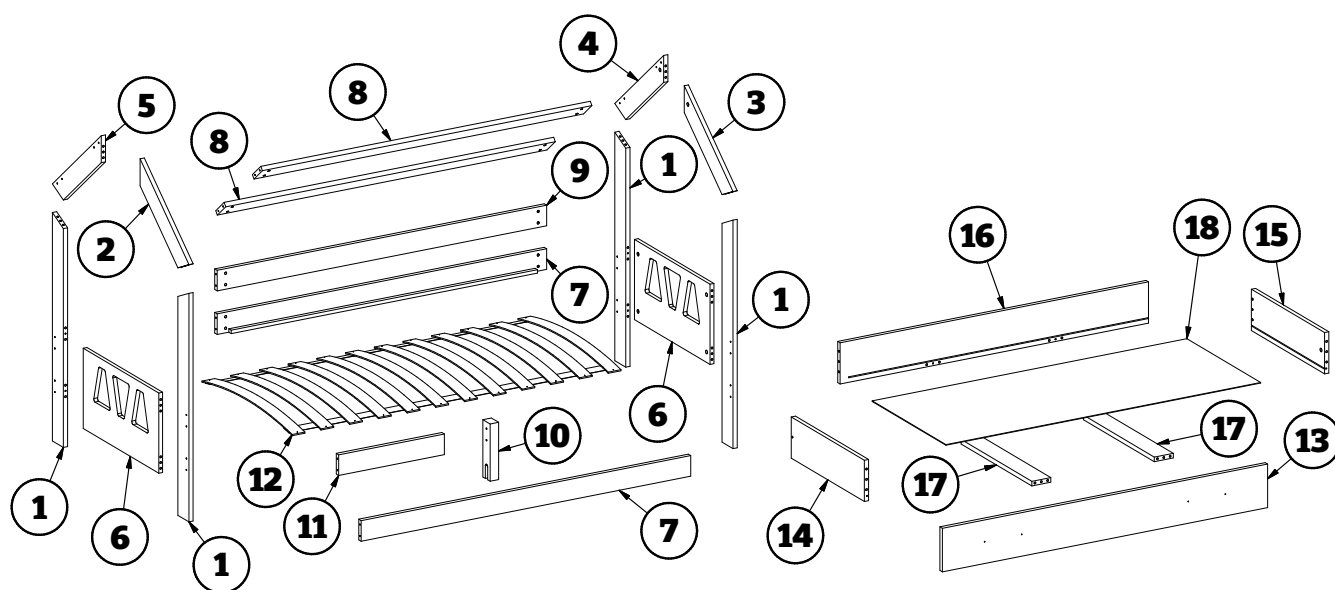

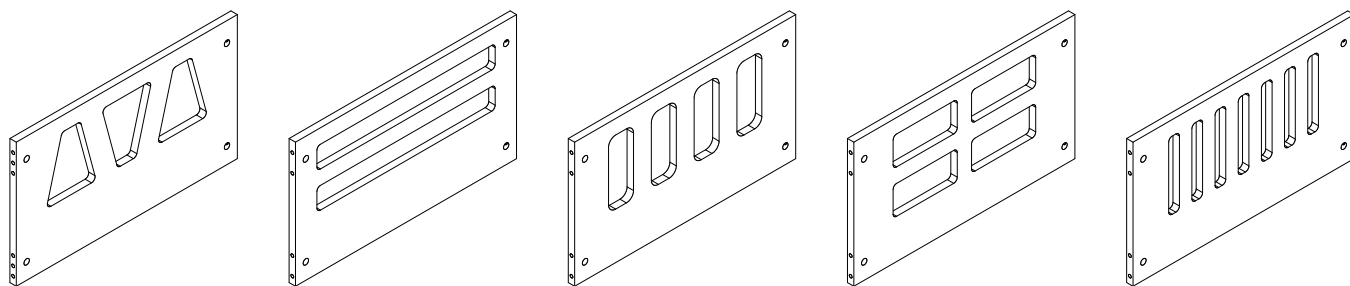

- Ajánljuk, hogy ne dobja ki a csomagolást, amíg be nem fejezte az összeszerelést.
- Az összeszerelést legjobb puha és tiszta aljzaton végezni, pl. hullámpapíron, törölközőn, takarón. Ez védi a bútor éleit a sérüléstől.
- Úgy a műanyag csomagolóanyagot, mint a vasalatokat újszülöttektől és gyermekektől elzárva kell tartani.
- Minden csavarkötést megfelelően meg kell húzni.
- Az összeszerelés megkezdése előtt, kérjük, olvassa el a teljes összeszerelési utasítást.

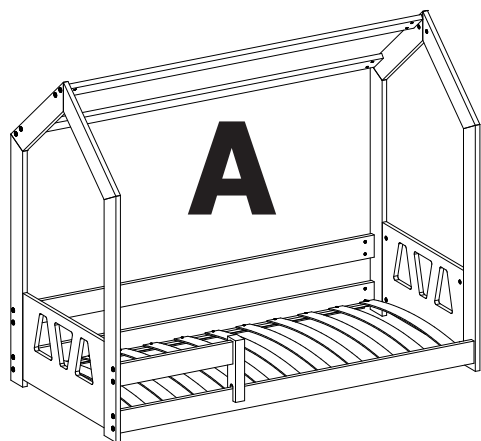

## Szerelési készlet a csomagokban. Kérjük, gondosan ellenőrizze az egyes csomagokat.

- Mielőtt elkezdi az összeszerelést, kérjük, ellenőrizze, hogy nem hiányzik-e valamilyen elem.
